

Article 25fa ‘Taverne amendment’ end user agreement

This publication is distributed under the terms of Article 25fa of the Dutch Copyright Act (Auteurswet) with explicit consent by the author. Dutch law entitles the maker of a short scientific work funded either wholly or partially by Dutch public funds to make that work publicly available following a reasonable period of time after the work was first published, provided that clear reference is made to the source of the first publication of the work.

Following the policy of partner institutions in the Netherlands (UNL, formerly Association of Universities in the Netherlands (VSNU)), research outputs of researchers employed by Dutch Universities that comply with the legal requirements of Article 25fa of the Dutch Copyright Act, are distributed online and free of cost or other barriers in institutional repositories. Research outputs are distributed six months after their first online publication in the original published version and with proper attribution to the source of the original publication.

You are permitted to download and use the publication for personal purposes. All rights remain with the author(s) and/or copyrights owner(s) of this work. Any use of the publication other than authorized under this license or copyright law is prohibited.

If you believe that digital publication of certain material infringes any of your rights or (privacy) interests, please let us know, stating your reasons. In case of a legitimate complaint, we will make the material inaccessible and/or remove it from the website. Please contact the university via PURE@uvh.nl. You will be contacted as soon as possible.
